

[How to Use e-Commerce on www.avantormaterials.com](http://www.avantormaterials.com)

Welcome to the Avantor™ Website! Setting up an account, ordering products and checking your order status have never been easier. Simply follow the instructions below.

To place an order through this Website, you must have an account with Avantor Performance Materials which has been validated for e-commerce by Avantor Customer Service. Please note: An account is not required to access a wide range of information about our products – including MSDS, Certificates of Analysis, product specifications and technical documents. To access this information instantly, go directly to the Website's [Search](#) function page and choose the appropriate tab.

Creating an Account

An e-commerce account may be established with Avantor Performance Materials **ONLY** if: (1) you are a current Avantor customer or distributor with an existing account number, and (2) you are authorized by your organization to conduct e-commerce transactions or to view proprietary information.

1. Visit www.avantormaterials.com/register.aspx and click “Create an Account” at the top of the home page.
2. Fill out the online form and click the “Register Me” button to register with Avantor.

Not registered? Create an account. Already registered? Sign in. | Sign in | Register | Account | Contact | United States / English (U.S.)

* the new password will be sent to your e-mail

3. Please note: it may take up to 48 hours before your account is active since Avantor verifies all customer information. You will receive a confirmation email once your account set-up is complete. Upon approval, you will be able to check inventory, view pricing, and review your order status.

Ordering Products Online

NOTE: To order products online, your profile must be enabled for order placement. If authorized by your company to place orders, please contact your customer service representative to request a profile update. Once you receive notice that you are approved for ordering products online, follow the steps below.

1. Click “Sign In” at the top of the home page.
2. Enter your User Name and Password information in the appropriate fields and click “Login.” If you’ve forgotten your password, or would like to change your password, click on the “Forgotten Password?” link in the login box. Complete the “Reset your site Password” section on the right side of the registration form to have a new password sent to you via email.
3. Once you have signed into your account, you can place an order in one of three ways—through the Catalog Search function, QuickOrder or by Repeating an Order.

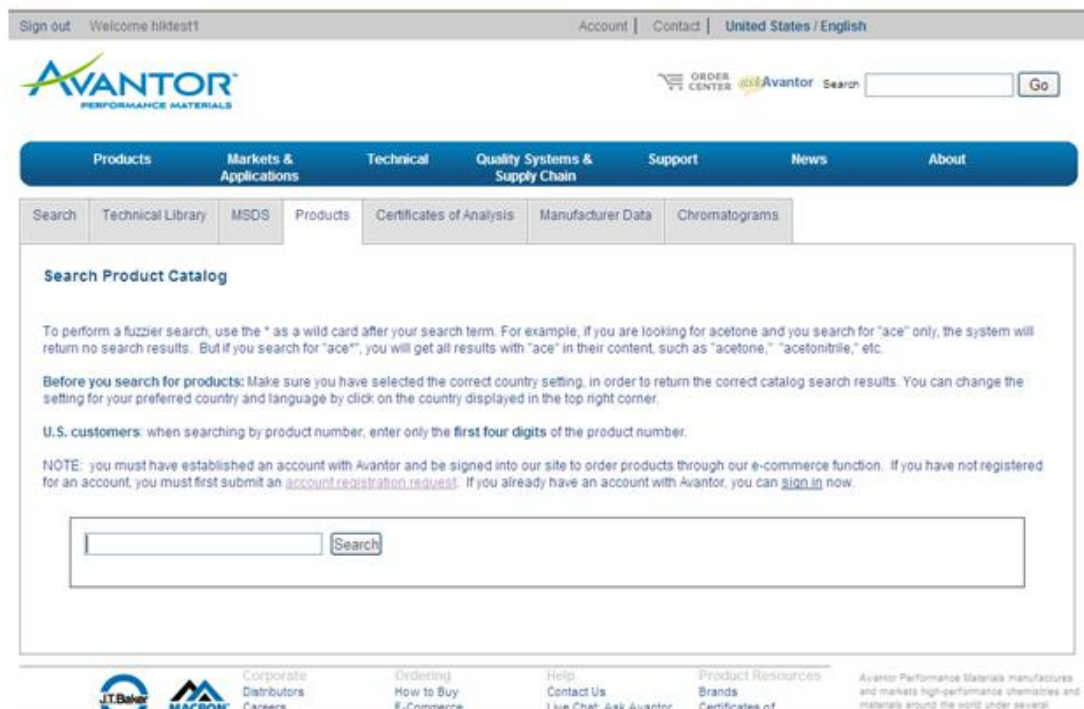

Catalog Search

1. Begin the order process by moving the cursor over the Products tab on the blue main navigation bar and selecting Catalog Search.

2. To initiate a search on the “Catalog Search” page, simply enter the information into the search field. Search criteria include product code, product name, formula or CAS number.

3. Select the desired product from the search results page by clicking on the product description.

Search Product Catalog

To perform a fuzzier search, use the * as a wild card after your search term. For example, if you are looking for acetone and you search for "ace" you may not receive your desired search results. If you search for "ace*" you will get all results that have content has the words "acetone", "ace", etc.

NOTE: you must have established an account with Avantor and be signed into our site to order products through our e-commerce function. If you have not registered for an account, you must first submit an [account registration request](#). If you already have an account with Avantor, you can [sign in](#) now.

10. Verify that your shipping information is correct.
11. If you are placing a Drop Shipment order, you must click on the “Add New Address” link and enter the ship-to address. Click on the “Save Address” link, and then click on the “Next Page” button.
12. If you are placing a stocking order, just click on the “Next Page” button.

The screenshot shows the Avantor website checkout process. At the top, there is a navigation bar with links for "Sign out", "Welcome hiktest1", "Account", "Contact", and "United States / English". Below this is the Avantor logo and a search bar. A blue navigation bar contains links for "Products", "Markets & Applications", "Technical", "Quality Systems & Supply Chain", "Support", "News", and "About".

The main content area features a progress indicator with five steps: "Billing", "Shipping", "Method", "Review", and "Payment". The "Billing" step is currently selected, indicated by a checkmark. Below the progress indicator, there is a "Cart Name:" field and a prompt: "Please enter the address where your package(s) will be shipped." A text box contains the following address information:

Current Address
AVANTOR PERFORMANCE MATERIALS
XXXX
XXXX, OH 00000
UNITED STATES

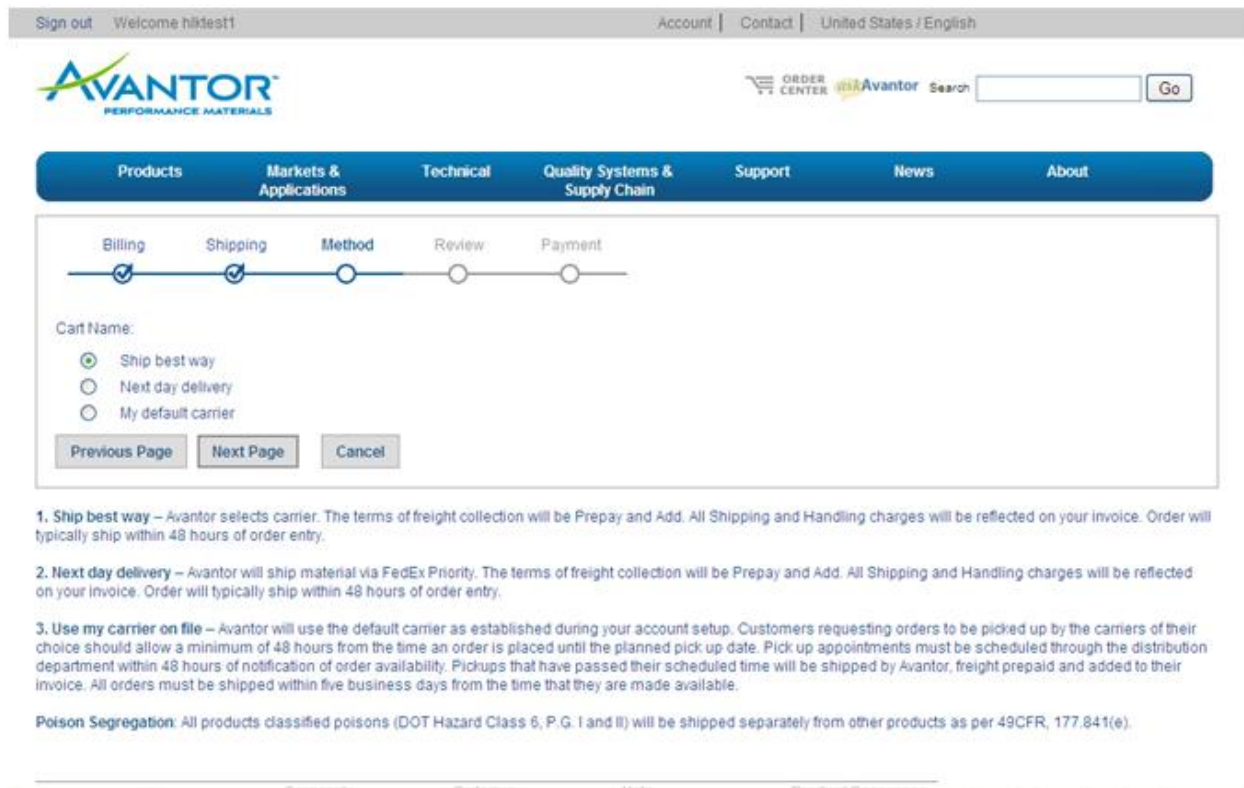

Below the address box is a link for "Add New Address" and three buttons: "Previous Page", "Next Page", and "Cancel".

At the bottom of the form, there is a section titled "Terms of Shipments:" followed by a paragraph of text: "All freight is F.O.B. shipping point, regardless of warehouse. Freight options are collect, prepaid and third-party billing. Freight charges for collect shipments are the responsibility of the distributor. Freight for prepaid shipments is added to the distributor's invoice. Freight charges reflect the freight rate based on the quantity shipped plus a nominal administration fee. In order to process a third-party billing request, the distributor must provide the complete address of the freight payment service. Those orders will be marked as prepaid and the carrier will forward the charges to the identified freight payer. All shipments and customer pick-ups will be shipped in strict accordance with all

13. Select the shipping method you prefer:

- a. *Ship best way*—Avantor selects carrier. The terms of freight collection will be Prepay and Add. All Shipping and Handling charges will be reflected on your invoice. Orders will typically ship within 48 hours of order entry.
- b. *Next day delivery*—Avantor will ship material via FedEx Priority. The terms of freight collection will be Prepay and Add. All Shipping and Handling charges will be reflected on your invoice. Orders will typically ship within 48 hours of order entry.
- c. *Use my carrier on file*—Avantor will use the default carrier as established during your account setup.

Once you've selected a shipping method, click on the "Next Page" button.

The screenshot shows the Avantor website checkout process. At the top, there is a navigation bar with "Sign out", "Welcome hiktest1", "Account", "Contact", and "United States / English". Below this is the Avantor logo and a search bar. A blue navigation bar contains links for "Products", "Markets & Applications", "Technical", "Quality Systems & Supply Chain", "Support", "News", and "About".

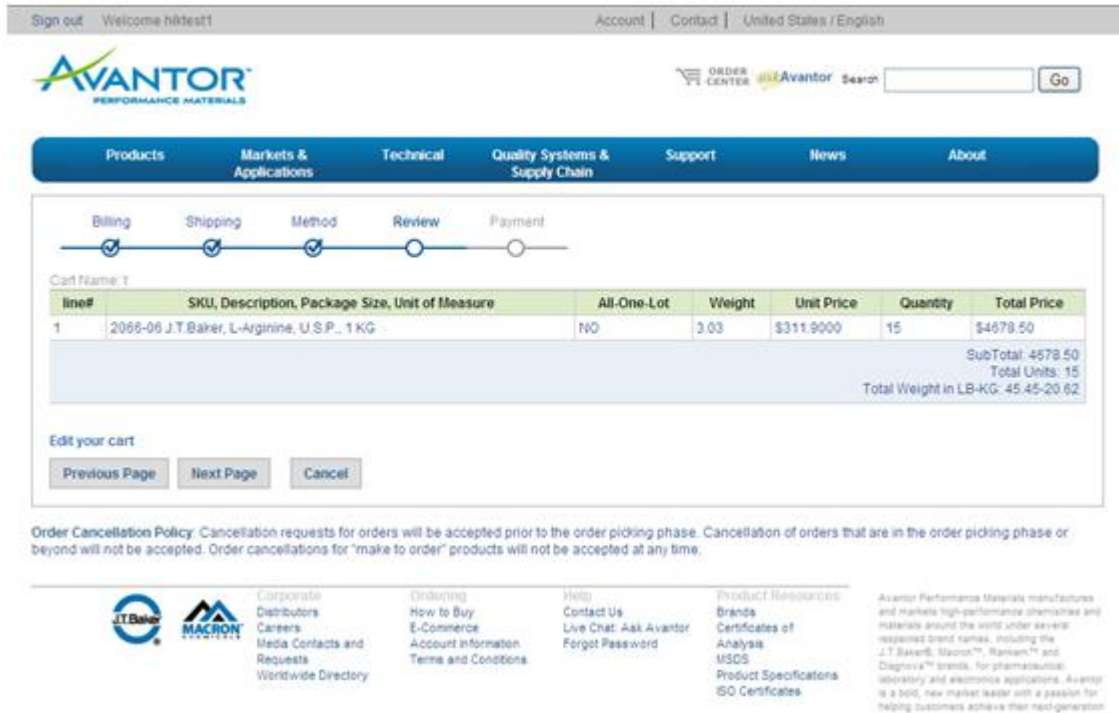

The main content area shows a progress bar with five steps: "Billing", "Shipping", "Method", "Review", and "Payment". The "Billing" and "Shipping" steps are completed, indicated by checkmarks. The "Method" step is currently active, with a radio button selected for "Ship best way". Below the progress bar, there is a section titled "Cart Name:" with three radio button options: "Ship best way" (selected), "Next day delivery", and "My default carrier". At the bottom of this section are three buttons: "Previous Page", "Next Page", and "Cancel".

Below the form, there are three numbered instructions:

- 1. Ship best way** – Avantor selects carrier. The terms of freight collection will be Prepay and Add. All Shipping and Handling charges will be reflected on your invoice. Order will typically ship within 48 hours of order entry.
- 2. Next day delivery** – Avantor will ship material via FedEx Priority. The terms of freight collection will be Prepay and Add. All Shipping and Handling charges will be reflected on your invoice. Order will typically ship within 48 hours of order entry.
- 3. Use my carrier on file** – Avantor will use the default carrier as established during your account setup. Customers requesting orders to be picked up by the carriers of their choice should allow a minimum of 48 hours from the time an order is placed until the planned pick up date. Pick up appointments must be scheduled through the distribution department within 48 hours of notification of order availability. Pickups that have passed their scheduled time will be shipped by Avantor, freight prepaid and added to their invoice. All orders must be shipped within five business days from the time that they are made available.

At the bottom, there is a "Poison Segregation" note: "All products classified poisons (DOT Hazard Class 6, P.G. I and II) will be shipped separately from other products as per 49CFR, 177.841(e)."

14. Review your order. If you want to make changes to your product selection, click on the “Edit your cart” link below the product information and you’ll be taken back to your shopping cart page. If you’re ready to complete your purchase, click on the “Next Page” button.

Avantor Performance Materials manufactures and markets high-performance chemicals and materials around the world under several registered brand names, including the J.T. Baker®, Macron™, Rivasent™ and Diagnova™ brands, for pharmaceutical, laboratory and electronic applications. Avantor is a 300+ year market leader with a passion for helping customers achieve their next generation.

15. Choose your payment method – Purchase Order or Credit Card.

a. *Purchase Order*– the length of a Purchase Order number is limited to 20 characters. You must supply a copy of this document if requested by Avantor.

b. *Credit Card*–Avantor accepts VISA, MasterCard and American Express credit cards. NOTE: If you are ordering and paying via credit card, an Avantor Customer Service Representative will be in contact with you within 24 hours of order placement to process your payment. The order will release at the time of payment.

The screenshot shows the Avantor website's checkout process. At the top, there is a navigation bar with links for 'Sign out', 'Welcome hldtestf', 'Account', 'Contact', and 'United States / English'. Below this is the Avantor logo and a search bar. A blue navigation bar contains links for 'Products', 'Markets & Applications', 'Technical', 'Quality Systems & Supply Chain', 'Support', 'News', and 'About'. The main content area features a progress bar with five steps: 'Billing', 'Shipping', 'Method', 'Review', and 'Payment'. The 'Method' step is currently active, indicated by a blue circle. Below the progress bar, there is a 'Cart Name:' field, a 'Payment Method' dropdown menu with 'Purchase Order' selected, and a 'Credit Card' field with a 'Number:' label. There are 'Submit Order', 'Previous Page', and 'Cancel' buttons. Below the form, there is a text block explaining the Purchase Order and Credit Card options. At the bottom, there is a footer with logos for JT Baker and Macron, and several columns of links for 'Corporate', 'Ordering', 'Help', and 'Product Resources'.

16. Once you've chosen your payment method, click on the "Submit Order" button to finish placing your order. You can click on the "Print this Page" button to print a copy of the order summary for your records.

Avantor Performance Materials manufactures and markets high-performance chemistries and materials around the world under several respected brand names, including the J.T. Baker®, Macron™, Rankem™ and Diagonova™ brands, for pharmaceutical, laboratory and electronics applications. Avantor is a bold, new market leader with a passion for helping customers achieve their next-generation advances. Our goal: to become a global leader in performance materials.

8. You will be taken to the “Your Cart” page. Here, you can either edit the cart to change quantities, add more products or include one lot requirements, or you can click the “Proceed to Checkout” button if you do not need to change anything on your order.

- a. To edit a product quantity, simply type in the quantity you wish to order in the “Quantity” field and click the “Update” button below the product table.
 - b. To remove a product from the order, click on the red circle icon all the way to the right of the product, in the “Remove” column. Your order will automatically be updated.
 - c. To add a product to the order, click on the “Continue Shopping” link below the product table. You will be taken to the Catalog Search page where you can search for additional products.
9. When you are ready to order, click on the “Proceed to Checkout” button. Follow the same order placement process as described above, after you click Proceed to Checkout.

Checking Order Status

1. Sign in to your account and then click the “Account” link at the top right of the website.
2. On the “Manage your Avantor Performance Materials Account” page, click on the “Check Order Status” link and use the search function to search by Purchase Order number or Product number.

The screenshot shows the Avantor website's account management interface. At the top, there is a navigation bar with links for 'Sign out', 'Welcome hlktest1', 'Account', 'Contact', and 'United States / English'. Below this is the Avantor logo and a search bar with a 'Go' button. A blue navigation bar contains links for 'Products', 'Markets & Applications', 'Technical', 'Quality Systems & Supply Chain', 'Support', 'News', and 'About'. The main content area is titled 'Manage your Avantor Performance Materials Account' and features a 'Check Order Status' section. This section has two tabs: 'General' (selected) and 'Custom'. The 'General' tab contains several input fields: 'First Name' (hlktest1), 'Last Name' (hlktest1), 'Password' (masked with dots), 'Confirm Pwd' (masked with dots), 'E-Mail Address' (Heather.Kreiger@avantormaterials.com), 'Display Name' (hlktest1hlktest1), 'User Language' (English (U.S.)), and 'Address'. There are 'Save' and 'Reset' buttons at the bottom of the form. The footer contains logos for JT Baker and Macron, along with various links for Corporate, Ordering, Help, and Product Resources.

3. You can view your order either by entering your purchase order number or a product number under “Search for An Order” or by clicking “Search” under “Review All Orders.” (Note: The option to Search by Invoice Number is not available at this time.)

Search Tips

Purchase Order: Key in your full Purchase Order Number or a partial Purchase Order Number. A partial Purchase Order Number will display all of your order number with that sequence of number.

4. To modify the delivery dates, quantities, specifications or other terms of an order, or to cancel an order, please contact Customer Service at 1-855 AVANTOR (1-855-282-6867). *Changes will be made at the discretion of Avantor.*
